GitHub | Visual Studio Code | Eclipse

Skills

Team Player | Adaptability | Fast
Learner | Time Management |
Decision Making

Interest

Web Development | Web Design |
Mobile Development

Profile

I am an undergraduate student pursuing a graduate program in Computer science. I am actively seeking an internship to improve my skills and gain real-world experience. My ambition is to collaborate with industry professionals and learn from their knowledge. I am dedicated, flexible and excited, and I am confident that I can learn quickly and work hard in any internship opportunity.
